

Lesson #1: Title: Born to Fly Free

Date: July 7th, 2020 **Time:** 11:30AM

Artist(s): Betzy Moreno

Materials/ prep: A HB pencil, an eraser, colored pencils, a sharpener, a white sheet of sketch paper

Introduction/goals: Drawing a parakeet can be very therapeutic. It also can spark an awareness of how global warming is affecting the natural environment of all animals including the habitat of parakeets.

Activity: After watching a 15-minute tutorial video the students will learn how to draw a parakeet with pencil and pencil colors at their own pace.

Vocabulary: Back and forth, hatching, blending.

Closing: All the participants will share their beautiful pencil drawing of a parakeet.

Successes:

Challenges: coloring from dark to light

CA State standard (s): 2.VA:Cr1.2 make art or design with various art materials and tools to explore personal interest questions and curiosity. PR.VA:Cr1.2 engage in self-directed, creative art-making.
