

ArtSeed Teaching Artist and Presenter Packet Guidelines

ArtSeed needs your help to provide structured remote learning for families sheltering in place. Is there something along this line you would like to do? It can be as modest a project as how to organize your clothes so that you like opening your closet. Or it can be a more traditional artmaking or home-making endeavor.

Your video packet will help us promote your art activity and reach out to students on our social media, email blasts, and website homepage, www.artseed.org. Please provide the following materials:

1. Your photo.
2. A short bio (a few sentences summarizing your career, education, where you are from, and what you love).
3. Your ArtSeed Statement: What you know about ArtSeed and what it means to you.
4. A still image (jpeg or png) of your final artwork.
5. Your video link (on YouTube or another site) that pertains to how your artwork was made (optional, around 10 minutes).
6. A related lesson plan using the template prompts below:
