

## ArtSeed Presenter Promotional Packets

Your Presenter Promotional Packet will help us promote your art, get familiar with your activity, and it will help us reach out to prospective participants on our social media, our email blasts, and our website homepage, [www.artseed.org](http://www.artseed.org). We can work with you on this if you need our help. Please provide the following materials:

1. A photo of your face, or one that represents you as a person.
2. A short bio (a few sentences summarizing your career, education, where you are from, and what you love).
3. Your ArtSeed Statement: What you know about ArtSeed and what it means to you. ([Look here for examples](#)).
4. A still image (jpeg or png) of your final artwork.
5. Your video link (on YouTube or another site) that pertains to how your artwork was made (optional, around 10 minutes).
6. A related lesson plan using the template prompts below.
