

A hearty thanks to all you sponsors, volunteers, and attendees for making the **17th Annual ArtSeed Earth Week Art-a-thon** another uniquely magical day! We are especially grateful to those who shared their artistic processes at a table. Vital also were those who helped behind-the-scenes, before, during, and after the event. Spending long hours planning, monitoring, and cleaning up. To those who gathered pledges and in-kind donations from family and friends, you rock! Gifts of money, talent, and time changed the world one artist or child at a time each hour of that wonderful day - and it continues weekly this Summer, Fall and Winter! Thanks to you, no one is ever turned away from our programs. We remain committed to diversity, equity, and inclusion.

On Saturday, April 19, 2025, we made a variety of artworks at different stations during the six-hour day. Art-a-thoners had a great time working to live music by Jacob Reeves, Robert Rogers, and Cory Wack. Also new to Art-a-thon talent were a juggler, Adam Brown, and actor, Gary Moore, who shared monologues and improv exercises. Artists of all ages practiced drawing, painting, sculpting, collage, printmaking, and crafts. **Core Artists Volunteers:** Myriam Abramovici, Aaron Chen, Gozde Efe, Claudia Grubler, Jonathan Hao, Isabella Johnson, Kuan Sin Lei, Open Walls Collective (Krishna Das, Aatiya Edwards, Tom Neill), Kathy Perry, Adisa Sefic, Edward Smalarz, Elizabeth Stahl, Luke Tan, Marco Torres, Lori Varkonyi, Kay Weber, Elizabeth Welch. **Distinguished Alum:** Matt Boris, Amity and Felicia Gallagher, Sabine Gysens, Beth Grinberg, Annika, Chizu, and Trey Houston, Linh Ho, Marissa Kunz, Gloria Lee, Donna Logan, Peter Mann, Kali Mobley, Maddy Varkonyi-Morales and Michael Morales, Saloni Sharma, Jennifer Spencer, David Stokes, Chloe Thomas, Velvet and Aber Van Bueren.
